

Agreement made September 2, 1983 by and between SYS-ED, Computer Education Techniques Inc. (Hereafter SYS-ED, a Delaware Corporation, with offices at One Park Avenue, New York, New York

and

Haupt M.I.S. Consultants, a proprietorship with offices at 410 East Kensington Road, Mount Prospect, Illinois (Hereafter Developer)

W I T N E S S E T H

WHEREAS, SYS-ED desires to obtain the services of Developer to develop a course or courses of instruction which will be of significant interest and benefit to persons in the electronic data processing field, and

WHEREAS, the Developer is an experienced educator in that field and is willing and able to undertake such project, the remuneration for which will be dependent, in part upon the success of its work,

NOW, THEREFORE it is agreed:

I. PROJECT SCOPE

Developer shall produce a complete training course to be taught by SYS-ED personnel on the subject specified in Attachment A, Section 1. The course shall be based on the most current version of the product being commercially available on the date of execution of Attachment A. This thorough and full schedule for the completion of courses in Attachment A is to be binding for the purposes of this contract.

II. PERFORMANCE
