Dear Mr. Shapiro:

We have recently had the opportunity to review the information submitted to complete the administrative (ownership, financial, personnel) portion of your application for a registered business school.

Please continue to work with your field associate Gary Stubbs in completing all educational forms and your Quarters application.

Your financial review has come back from the Education Department's Auditors and they have now been accepted.

The licensing portion of your application is now complete. In order for us to move the process along I have to receive your completed Educational forms and Quarters from your field associate Gary Stubbs.

If you have any questions then please let me know.
