CICS is a registered trademark of IBM Corporation. The information contained in the tables and appendices are compilations from public source IBM manuals, information available from manuals purchased from IBM Corporation, and data/information available through the Internet.

The presentation outline, content, and workshops for this course was developed by Robert Blumfeld, Mike Rogers, Paul Olson, Karen Schwartz, and David Silverberg. The presentation outline, workshops and format of this hand-out was reviewed by David Shapiro.

Upon request, SYS-ED staff will make corrections, additions, and updates to the course hand-out. Issues regarding the content of this course workbook need to be forwarded in writing (preferably by e-mail to support@syped.com) inclusive of the chapter/appendix and page in the form of chapter x; page y of the SYS-ED course hand-out. Issues regarding examples and workshop exercises need to reference the chapter and page of the existing workbook and the behavioral objective.
