The framework for this course is based upon an industry standard text book. Content is augmented with training aids and presentation slides obtained from vendor manuals, consultancy assignments, and information available in the public domain. Information is updated and compiled to the specific version of C# .NET software utilized by the client organization. Organizations having SYS-ED teach C#.NET courses will be required to have a licensed version of the software.

SYS-ED is always looking to improve the quality of its course handouts. Issues regarding the content need to be forwarded in writing (preferably by e-mail to support@syped.com) inclusive of the chapter/appendix and page in the form of chapter x; page y.
