

Copyright Acknowledgment

MS DOS and Windows 98, Windows ME, Windows 2000, Windows XP, and Vista are registered trademarks of Microsoft Corporation. Source content was obtained from vendor manuals, industry standard text books, and information available in the public domain. Organizations having SYS-ED conduct DOS Batch File and Windows scripting training will be required to have a licensed version of the Microsoft Windows operating system.

The presentation outline, content, examples, sample programs, and workshops for this courseware was developed by David Silverberg. It has been reviewed by David Shapiro.

SYS-ED is always looking to improve the quality of its course handouts. Issues regarding the content need to be forwarded in writing (preferably by e-mail to support@syped.com) inclusive of the chapter/appendix and page in the form of chapter x; page y.
