

## Copyright Acknowledgement

Microsoft Windows NT, 2000, and XP are registered trademarks of Microsoft corporation.

The presentation outline for this course was developed by John Bradley, Sharif Ahmed, David Shapiro, and David Silverberg and through the collaborative efforts of SYS-ED staff. It has been reviewed by David Shapiro.

Organizations contracted to have SYS-ED present this course will be required to have a licensed version of the Microsoft Windows - NT, 2000, or XP operating system. Screen captures and portions of this hand-out have been generated from interactive sessions with the Microsoft Windows operating systems in a variety of different networking configurations. Direct step-by-step explanations and examples correspond to context help on the operating system and reflect information available in the public domain from the Microsoft website.

Upon request, SYS-ED staff will make corrections, additions, and updates to the course hand-out. Issues regarding corrections, additions, and updates of this course hand-out should be forwarded in writing to [support@syped.com](mailto:support@syped.com) inclusive of the chapter/appendix and page in the form of ch x; page y and citation of the reference source.
