

Copyright Acknowledgment

Windows 2000 Advanced Server, NT, 2000, XP are registered trademarks of Microsoft Corporation. The presentation outline for this course was developed by Sharif Ahmed and through the collaborative efforts of SYS-ED staff.

Organizations contracting to have SYS-ED present this course will be required to have licensed versions of the Microsoft 2000 Advanced Server and Microsoft Windows - NT, 2000, or XP operating systems. Screen captures and portions of this hand-out have been generated from interactive sessions with the Microsoft Windows operating systems in a variety of different networking configurations. Step-by-step instructions correspond to context help on the operating system and reflect information available in the public domain from the Microsoft website.

Upon request, SYS-ED staff will make corrections, additions, and updates to the course hand-out. Issues regarding corrections, additions, and updates of this course hand-out should be forwarded in writing to support@syped.com inclusive of the chapter/appendix and page in the form of ch x; page y and citation of the reference source.
