WebSphere is owned and copyrighted by IBM - International Business Machines.

This WebSphere courseware product was a collaborative effort.

- The presentation outline, examples, workshops, and training aids for this course were developed by Sharif Ahmed and David Silverberg.
- The content and deliverables of this instructor-led course were reviewed by Jonathan Clarke and David Shapiro.
- This student workbook and related training aids are the copyright of Computer Education Techniques, Inc.

Organizations contracting to have SYS-ED present this course will be required to have licensed versions of the WebSphere Server product. Screen captures and portions of this hand-out have been generated from interactive sessions with the WebSphere product. Step-by-step instructions correspond to context help on a installed version of the WebSphere product and reflect information available in the public domain.

Upon request, SYS-ED staff will make corrections, additions, and updates to the course hand-out. Issues regarding corrections, additions, and updates should be forwarded in writing (preferably by e-mail to [support@syped.com](mailto:support@syped.com)) inclusive of the chapter/appendix and page in the form of ch x; page y of the SYS-ED course hand-out and citation of the source(s) reference.
