<b>Subject:</b>	Feedback 3/14-17/06 Administration of WebSphere

Dave,

At our team meeting in Cincinnati last week we agreed the team would send feedback to the vendors and instructors after classes. Here is some feedback from the 3/14-17/06 Administration of WebSphere Application Server class with Jonathan Clarke:

Pre test score: 13%

Post test score: 49%

Evaluations: Favorable. Here are a few comments:

- "An excellent presentation. Mr. Clarke copied all PowerPoint screens to my computer so that I could follow along" (from a visually-impaired student)
- "The hands-on application or interactive portions were helpful as well as the graphical depictions."
- "Instructor was very good about including amplified material when there were questions."
- "Lots of experience."
