Copyright Acknowledgment

Abend-AID is a registered trademark of Compuware Corporation. The content in this handout has been compiled from vendor manuals, industry standard text books, and information available in the public domain. DB2, IMS, and TSO are registered trademarks of IBM Corporation.

The presentation outline, content, examples, sample programs, and workshops for this courseware were developed by David Silverberg. It has been reviewed by David Shapiro.

Dataset is spelled consistently as a single word; the exceptions are its utilization in menus and utilities by IBM and commercial software companies which in certain situations refer to it as a single term comprised of two words - data set.

COBOL and mainframe training aids are available at:

http://www.sysed.com/shared/refcards.asp?maincat=mainframe

Technology updates and answers to information technology questions are distributed at:
